## TREO GIRDLE

The all-elastic corset

YOU'LL be delighted with the extra becomingness the wearing of a Treo Girdle will impart to your pretty new dresses.

That is why fashionable modistes all recommend the Treo All Elastic Corset. They know it shows the present styles to the best advantage.

Only the Treo Girdle has the "Feature Strip" of elastic at the top which holds in the diaphragm and supports the small of the back, two very important functions that a corset should exercise for physical reasons, as well as for style. In addition, the Treo has the "Anchor Band" of elastic at the waist which prevents the girdle from slipping up or sliding down. Don't forget these exclusive features that distinguish the Treo from conventional models.

The Treo Girdle is made ENTIRELY of the best surgical elastic web, and there is no lacing whatever. That insures both comfort and perfect fit. It allows a graceful freedom of motion, yet prevents the figure from spreading. That is what makes the Treo ideal for dancing, evening, street and sport wear.

Lengths and styles of Treo Girdles vary to suit individual preferences. And prices range from \$3.50 to \$15. Be sure you get the genuine Treo Girdle. Dealers everywhere sell the Treo—if your dealer cannot supply you, write us for illustrated booklet of styles.
